

decora smart®

Take charge of your home's lighting with easy, customizable smart technology.

Enhancing your home with smart lighting control is easy.

Add the safety and convenience of automated lighting to your home with the Leviton Decora Smart® family of products, so you can take control of your lighting while at home or when away. Use the My Leviton app or your voice to schedule lights to come on automatically, dim a light, adjust a ceiling fan, turn off a lamp and more.

Leviton Decora Smart has robust solutions using industry-leading technology: Wi-Fi®, Z-Wave Plus® and Zigbee 3.0. Based upon your needs and comfort level, you can start small with a smart dimmer or choose to outfit your entire home. Browse the different technologies and choose the best fit for you.

Choose Your Favorite Technology

- Are you an Amazon Alexa™, Google Assistant™, or Apple HomeKit™ enthusiast? **Choose Wi-Fi®**
- Are you currently using a hub such as a Samsung® SmartThings™? **Choose Z-Wave®**
- Do you need a solution that works with Xfinity or your cable provider? **Choose Zigbee**

- Use your voice – connects with select Amazon Echo hubs for Alexa voice control
- Plug-in versions provide wireless option to control lamps, small appliances, holiday lighting and more

works with
xfinity

Choosing the Right Companion

Decora Smart Dimmer and Switch Companions are for use in 3-way or multi-location applications where the same set of lights are being controlled from two or more different locations such as the top and bottom of a staircase, a long hallway, or open areas with multiple entrances.

Companion devices must be paired with a Decora Smart primary dimmer, switch, plug-in or fan speed controller to operate.

The chart below indicates which companion device can be used with the primary device you selected.

	Device	Cat. No.	Wired Dimmer Companion DD00R	Wired Switch Companion DD0SR	Anywhere Dimmer Companion DAWDC	Anywhere Switch Companion DAWSC
	Dimmer (2nd Gen)	D26HD	✓	✓	✓	✓
	Switch (2nd Gen)	D215S	✗	✓	✗	✓
	Plug-In Dimmer (2nd Gen)	D23LP	✗	✗	✓	✓
	Plug-In Switch (2nd Gen)	D215P	✗	✗	✗	✓
	Voice Dimmer with Amazon Alexa Built-in	DWVAA	✓	✓	✗	✗
	4-Speed Fan Controller	DW4SF	✓	✓	✗	✗
	Switch	DG15S	✗	✓	✗	✗
	Dimmer	DG15A	✓	✓	✗	✗
	Dimmer	DZ6HD	✓	✓	✗	✗
	Switch	DZ15S	✗	✓	✗	✗
	4-Speed Fan Controller	ZW4SF	✓	✓	✗	✗

Decora Smart® Solutions for 3-Way/Multi-

Wired Companions

Wired Dimmer and Switch Companion devices require in-wall wiring and pair with any primary Decora Smart Dimmer, Switch or Fan Speed Controller to provide additional control at the base of a staircase, the end of a hallway or open areas with multiple entrances that already have existing 3-way or more control.

- Place in areas where there is existing 3-way/multi-location control available because wiring is required
- Compatible with all Decora Smart Wi-Fi, Z-Wave and Zigbee technologies
- No Wi-Fi or app required for setup or operation
- Place within a 300 ft. range of the primary Decora Smart device to control the same light(s)
- Pair up to four companion devices with a primary Decora Smart device

Can be used with all Decora Smart products

Location Applications

NEW! Wireless Anywhere Companions

Anywhere Dimmer and Switch Companions pair wirelessly with Decora Smart Wi-Fi 2nd Gen Dimmers, Switches and Mini Plug-Ins to provide additional lighting control wherever you need it most such as at the base of a staircase, the end of a hallway or open areas with multiple entrances.

- Place anywhere to create wire-free, 3-way/multi-way solutions
- No Wi-Fi or app required for setup or operation
- Place within 50 ft. of the primary Decora Smart Wi-Fi 2nd Gen device to control the same light(s)
- Pair up to three Anywhere Companions with a Decora Smart Wi-Fi 2nd Gen device
- Replaceable CR2025 batteries included, with 5 year battery life (actual results may vary)

Can only be used with Decora Smart Wi-Fi 2nd Gen products
